COLOMBIA HAS NEW CANAL PLAN

MEASURES WHICH CONTEM-
PLATES GETTING RID OF PANAMA
CO. PRESENTED IN SENATE.

BOGOTA, Oct. 14.—The Senate com-
mittee charged with drawing up a bill
authorizing the President of the repub-
lic to negotiate a new canal treaty
with the United States today presented
the project to the Senate. It provides
that the latter must approve or disap-
prove the extension of the concession
for six years granted to the new Panama
Canal Company in 1900. If this is
disapproved, Colombia will reimburse
\$1,000,000 to the company, with interest,
and will take possession of the canal
works next year, in which case this re-
public will then be able to negotiate a
new treaty with the United States. If
the extension of the concession is ap-
proved by the Senate the new Panama
Canal Company will have until the
year 1910 to fulfill its obligations. The
Senate will take up the bill on Monday.
It is pointed out that authorizations
given to the executive by the Senate
to negotiate treaties are valueless as
the executive, according to the consti-
tution, can negotiate treaties with-
out authorization from the Senate,
and present them to Congress for ap-
proval, and any law amending the
constitution to this or any other ef-
fect must be sanctioned by two con-
secutive Congresses.

NEW YORK, October 14.—Under the
heading "The Lion Not as Fierce as
Painted" local newspapers have pub-
lished an article referring to President
Roosevelt's policy regarding canal
matters, cables the Herald's Panama
correspondent. "Evidently, Nicaragua
is merely a scarecrow," says one
paper. "Colombia must continue to
maintain herself with dignity." The
foregoing is a sample of many similar
articles.

The approaching elections, which
should take place within six weeks,
will be a test of the peace of the re-
public. An outbreak is feared, how-
ever, before the end of the month, as
the situation is rapidly approaching a
critical stage.

ARBITRATION ON A FLYING TRAIN

SAN FRANCISCO STREET-CAR
BOARD HOLDS A MEETING EN
ROUTE FROM NEW YORK.

CHICAGO, October 14.—Arbitration
on a private car, a palace on wheels
was tried today. While the New
York delegation to the National Civic
Federation was speeding to Chicago on
the Erie road three members of the
party had no time to look at the
scenery. They were engrossed with
the grievances of the San Francisco
street railway men.

The men who are "arbitrating" at
the rate of sixty miles an hour are W.
D. Mahon, president of the Amalgam-
ated Street Railway Employees of
America; Patrick Calhoun, represent-
ing the street railway interests of San
Francisco; and Oscar L. Straus, pres-
ident of the New York Board of Trade.
The members of the San Francisco
arbitration committee have been busy
trying to reach a decision satisfactory
to both sides, and hoped, by proceed-
ing with the details of the task while
on the train, to conclude before reach-
ing this city.

Tomorrow morning at 10:30 the
conference of the National Civic Fed-
eration will open in Steinway Hall.
There will be three sessions daily
until Saturday, when the conference
will be closed by a banquet, tendered
by the local branch of the Federation
to visiting delegates.

At the opening session addresses
will be made by Oscar S. Straus, pres-
ident of the Board of Trade and
Transportation; John Mitchell of the
United Mine Workers; Henry White
National Secretary of the United Gar-
ment Workers, and others.

FEW BONDS HELD BY FOREIGNERS

GOVERNMENT REPORT SHOWS
THAT NATIONAL CREDIT IS UP-
HELD BY DOMESTIC MONEY.

WASHINGTON, October 14.—The an-
nual report of the Register of the
Treasury shows that an aggregate of
\$15,065,750 of the registered bonds are
held by foreigners. Of this amount
\$3,211,250 are credited to individuals
and \$11,854,500 to foreign insurance
companies. The latter amount is all
on deposit in this country under the
law which requires all foreign insur-
ance companies to deposit with the
Insurance Commissioner of the par-
ticular State in which it does business
a certain amount of bonds, apportion-
ed to the business done, to secure its
policy-holders. "The amount of United
States bonds thus held by foreign in-
dividuals," says the Register, "is so
insignificant that it may be said that
the national credit is entirely upheld
by domestic money."

An annual report of the domestic
holdings shows that the bonds of 1930
are the popular ones with National
banks. Out of a total of \$506,463,350,
the banks have on deposit with the
Treasurer of the United States as se-
curity for circulating notes and for de-
posits \$458,448,100, leaving to be ac-
counted for \$48,015,250. Of the latter
amount \$25,723,850 are held by indi-
viduals, the remainder being in the pos-
session of the banks, insurance and
trust companies, lodges and societies.
The bonds of the various loans on
June 30, 1903, were held in this coun-
try as follows:
Loans, \$1,750,410; securities, \$2,439,-
340; individuals, \$205,846,810; with the
Treasurer of the United States in trust,

\$498,887,140; in banks, \$63,098,530; insur-
ance and trust companies, \$14,294,570;
total, \$776,262,100.

THE FIRST MRS. WATSON'S DIVORCE

INVESTIGATIONS IN UTAH ON
WHICH A PLEADING IN THE
LOCAL COURTS WAS BASED.

SALT LAKE, Utah, October 8.—W.
R. Burdette, a San Francisco lawyer
who has been in Beaver county in-
vestigating the divorce granted Mrs. Cath-
erine Watson and which figures in the
\$400,000 suit brought against Claus
Spreckels, says that the decree is irreg-
ular. Burdette made a thorough in-
vestigation of the records in the case.
The divorce was granted by Beaver
county's famous divorce mill in 1876.
Catherine Watson of San Francisco
applied for one of these divorces and
received a decree within thirty days.
She was the first wife of Thomas Wat-
son, who subsequently married Miss
Emma Spreckels, who stands to lose
\$400,000 through the irregularity of this
divorce. Burdette, who interviewed
old court officials and traced the case
step by step, says that in his opinion
the decree is irregular and that the
court will so hold it. The second Mrs.
Watson, who is suing her father for
\$400,000, is said to have sent attorneys
to Beaver county three weeks ago.
